The role is fundamental to the successful running of the Year Team, working very closely with the Head of Year. The College operates a system whereby Year Teams remain with their cohort as they move up through the school, allowing for strong and trusting relationships to be formed with pupils and their families. The successful candidate will have a vital role to play in the day-to-day running of the Year Team and consistently implementing its policies and ethos. The successful candidate will be required to work with pupils, parents and staff extremely closely and play an active role in the Year Team.
