

Outstanding Teaching and Learning Programme

Designed by The Cam Academy Trust and facilitated by experienced school leaders and teachers from a range of secondary schools, the OTL programme gives experienced secondary teachers a set of high-level skills and strategies that will enable them to become consistently outstanding. The course will provide opportunities to explore a range of pedagogical approaches and provide delegates with the ability to coach and mentor colleagues in their own school to help raise performance levels.

The programme consists of 4 targeted full day long sessions based in a range of secondary schools, and each day will include an observation/tour.

Day 1: Inspire and engage and impact on learning

- Reflection on your own practice and an opportunity to share with colleagues
- Engagement
- Coaching and Mentoring
- Dual coding and extending the use of images in teaching

Day 2: Collaboration

- Activities based on collaborative learning
- Overcoming barriers and avoiding collaborative learning pitfalls
- Developing coaching questions
- Kagan structures
- Creating safe and purposeful learning experiences

Day 3: Motivation and Independence

- Active and independent learning
- Mind mapping
- Understanding retrieval & practical retrieval activities
- Further development of coaching questions
- Contextualised learning
- SoL of development
- Understanding the GROW model of coaching and using deliberate practice

Day 4: Looking forward

- Efficient assessment methods – focus on the power of verbal feedback
- Use of technology to support learning
- Coaching – Live session
- Developing broader and more effective schemes of learning
- Leading a school initiative
