## About our Trust

The Cam Academy Trust, originally The Comberton Academy Trust, was formed in 2011 to oversee the conversion of Comberton Village College to academy status in the first instance. With growing emphasis on academies working together in formal partnerships, the Trust quickly changed to become a multi-academy trust so that more schools could join and work closely with us.

As this partnership developed it was only right that the name changed with it as further schools/academies joined, including from the primary as well as secondary phase of education. The Comberton Academy Trust was renamed 'The Cam Academy Trust' – a clear statement that the Trust is greater than the sum of its parts.

The Trust currently comprises seven primary phase schools and four secondary schools, two with Sixth Forms. We are excited that a third Sixth Form is due to open at Cambourne Village College in 2023.

Our Primary phase schools are: Everton Heath Primary School (just inside Bedfordshire), Gamlingay Village Primary, Jeavons Wood Primary School, Cambourne, Offord Primary School, Offord D'Arcy, Hartford Infant and Pre-School, Hartford Junior School and Thongsley Fields Primary and Nursery School, Huntingdon. Bourn Primary Academy joined as the first Associate Member in 2021.

Our Secondary schools are: Comberton Village College (and Comberton Sixth Form), Cambourne Village College, Melbourn Village College and St Peter's School (and Sixth Form), Huntingdon.

The Trust strives for 'Excellence for All' and at the heart of this are six core principles which drive everything it does.

These are:

The Excellence Principle – Education must be of the very highest standard

The Comprehensive Principle – Education must be for all kinds and abilities

The Broad Education Principle – Education must incorporate a broad range of subject areas and personal development

The Community Principle – Every Academy must be at the heart of its local community and serve it well

The Partnership Principle – Each Academy must seek to work positively in partnership with others for mutual benefit

The International Principle – The curriculum inside and outside the classroom must have a clear international dimension.

## Our Schools

### Comberton Village College & Comberton Sixth Form

Comberton Village College is a thriving community of approximately 1800 students, including 500 in the Sixth Form which was added to the school in 2011.

It was established in 1960 as part of Henry Morris' vision for schools being village colleges at the heart of their community and not just places for children to learn. It has a vibrant Adult Education department as well as an on-site Sports and Arts Centre, including a full-size artificial football pitch and spacious performance hall. Current improvements to the much-extended site include the installation of a £multi-million ground-source heat pump to move away from the use of oil.

### Cambourne Village College & Cambourne Sixth Form

Cambourne Village College opened as a Free School in 2013 as the first new village college in Cambridgeshire for 30 years. It serves the community of Cambourne, a group of villages located between Cambridge and St Neots.

It has been repeatedly grown since its inception and now has plans for further expansion to include a sixth form from 2024 and further capacity to match growing demand for families moving into Cambourne West, the fourth of the villages it serves. It, too, offers extensive arts and sports facilities for community use.

It was the first school in the Trust to equip its students with iPads, an initiative now being rolled out across the Trust.

## Melbourn Village College

Melbourn Village College is the smallest and oldest of the village colleges in the CAT community. With around 600 students in Years 7-11, it still offers an innovative curriculum with Mandarin taught to all from Year 7 with the option to take the language at GCSE level and, recently, at A Level in conjunction with Comberton Sixth Form.

**MELBOURN**  
VILLAGE COLLEGE

Melbourn is undergoing considerable investment and improvement with a new artificial pitch that opened in late 2021 and work due to start on upgrading classrooms in summer 2022.

## St Peter's School, Huntingdon

St Peter's School is located in the heart of Huntingdon and offers a nurturing and supportive environment for around 1200 students from a diverse multi-cultural catchment.

The school joined the Trust in 2016 and has undergone significant change with Ofsted now rating it as a 'Good' school. There has also been major investment in its buildings and infrastructure with a complete refurbishment of the Sixth Form and more work scheduled for Summer 2022.

## Everton Heath Primary School

**Everton Heath**  
Primary School

Located just over the Bedfordshire border, Everton Heath is the smallest school in the Trust with just over 70 students. However, the installation of two new classrooms in 2021 has given it capacity to grow.

It has joined forces with larger neighbours, Gamlingay Village Primary (less than two miles away) and the second smallest Trust school, Offord Primary, in a new collaborative West Village Partnership. It is a catchment school for Comberton Village College.

Everton Heath Primary School is part of the newly formed West Village Partnership.

## Gamlingay Village Primary

Established as a full primary school by the Trust in 2018 from Gamlingay First School, it was relocated to the former middle school site following a major upgrade to the existing buildings.

It is now a thriving school for more than 380 pupils and includes specialist primary provision for students on the autistic spectrum, many of whom go on to Comberton Village College's similar secondary offering as Comberton is the school's designated 11-16 provider.

Gamlingay Village Primary School is part of the newly formed West Village Partnership.

### Hartford Infant and Preschool

Renamed in early 2022 to reflect the addition of a bespoke preschool, the team are proud of their caring, secure and purposeful environment to nurture youngsters at the start of their educational journey.

The school shares a site with the Junior School in a suburb of Huntingdon and most pupils make the natural transition across the playground before going on to St Peter's, allowing them the full educational experience within the Trust.

### Hartford Junior School

Hartford Junior School has two-form entry at the start of Key Stage 2 with the majority switching from the Infant School next door.

Rated 'Good' at their first inspection since joining the Trust in 2017, they are proud of their progress in recent years, based on their ethos of 'effort, encouragement and excellence'.

### Jeavons Wood Primary School, Cambourne

Jeavons Wood is one of four primary schools located in the growing South Cambridgeshire community of Cambourne and is a feeder school for Cambourne Village College.

It has more than 400 pupils in a modern, airy building constructed 10 years ago and works unswervingly to support all their pupils both socially and academically.

### Offord Primary School

The newest full members of the Trust, Offord joined in 2019 and undergone significant changes with a new headteacher and the recent collaborative partnership with Gamlingay and Everton Heath.

They are the first primary school in the Trust to obtain enough iPads for every pupil after securing a generous donation from a local charity which supports education in Offord D'Arcy and Offord Cluny.

Offord Primary School is part of the newly formed West Village Partnership.

## Thongsley Fields Primary & Nursery School, Huntingdon

Thongsley Fields Primary & Nursery School was created in 2003 from separate junior and infant schools built to serve families on the Oxmoor estate in Huntingdon. They joined the Trust in 2018 and with a new headteacher are developing grand plans for their curriculum., their grounds and the provision and support for pupils and their families.

Like Hartford Junior School, they are a partner primary for St Peter's School with whom they share a Governing Body.

## Bourn Primary Academy

Bourn Primary Academy, a single form entry Church of England school, became the Trust's first associate members in September 2021, cementing an already close relationship with both Comberton and Cambourne Village Colleges, which it lies between.

All the Trust's services are available to Bourn, which is in the Comberton catchment, and they now work closely with all the other schools and staff across the Trust, sharing experiences and best practice.

## Safeguarding Children and Young People

The Cam Academy Trust is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. Successful candidates will be subject to an enhanced DBS check, barred list check and other relevant pre-employment checks.

## Information about Cambourne Village College

### Context

Cambourne is a new settlement, eight miles west of Cambridge. It is already a significant community and construction of Cambourne West, a further 2400 new homes with associated facilities, is under way on land adjacent to our campus.

Cambourne Village College opened as a new 11-16 Academy and Free School of the Cam Academy Trust (formerly the Comberton Academy Trust) in September 2013. The College opened with six forms of Year 7 pupils and grew by one new intake each year, reaching five year groups in September 2018. Since then, the school has continued to expand to a current roll of 1320 students. Our intake is truly comprehensive, with 30% of the dwellings in Cambourne comprising social housing whilst the remainder is mainly mixed, new, privately-owned houses. The school has rapidly gained the support of the local community and co-operates closely with its four catchment primary schools, all situated in Cambourne.

We are now working with the Local Authority to expand our accommodation to admit up to 1650 students (11 forms of entry) in our 11 - 16 school phased over the next five years. As the logical sequence to our rapid and successful growth, planning is also underway to open a 350 place sixth form, opening for Year 12 students from September 2024. Students in our current Year 10 will be our first to access this provision. Construction is on schedule and our Heads of Department are planning to introduce Key Stage 5 teaching.

### The Cam Academy Trust

All staff at Cambourne Village College, along with those at Comberton Village College, Melbourn Village College and St Peter's School, Huntingdon, are employees of the Cam Academy Trust, whose CEO is Stephen Munday. The Trust has recently become significantly cross-phase with the membership of seven primary schools and more under negotiation. The schools share a number of high-level executive Trust staff, for example in Finance, IT and HR, and seek to collaborate on educational matters wherever possible. Cambourne Village College has worked in particularly close partnership with Comberton Village College from the outset; it is envisaged that our new sixth form will work in close collaboration with those at Comberton and St Peters. The Trust is working on strengthening the educational links across the schools; all secondaries now use an online platform, the CATalogue, to allow the sharing of resources across our schools. The College is fortunate to be supported by a team of skilful and dedicated school governors, led by Dr Kris Stutchbury.

### Designations

Following its first, very successful, Ofsted inspection, the College gained Leading Edge status and successfully bid to become a Teaching School within the Cambridge Area Teaching Schools Alliance. In September 2019, CamVC was invited to become a partner school for teacher training with the Faculty of Education at the University of Cambridge. This partnership continues and we also work closely with our local teaching school hub to provide SCITT placements. The College encourages research, with staff participating in projects at a range of levels, and we are continually developing our CPL offer for our staff, with many teachers participating in Trust-based programmes.

In 2018, Cambourne Village College was a finalist in the Pearson School of the Year Awards, winning Silver in the 'Making a Difference' category – a huge accolade for a school only five years old, and a reflection of the very strong relationships already developed with the local community.

## Standards

Extremely high standards of achievement and pastoral care have been quickly established, as recognised by the 'Outstanding' grade in all four Ofsted inspection categories, awarded to the College in May 2015 – a rare achievement for a new secondary school in its fifth term of opening. An annual Cross-Trust Review process confirms these high standards are maintained.

The first set of GCSE results for the College were awarded in summer 2018, the school achieving above the national average ranking for the KS4 Overall Progress 8 measure at 0.34. Results have continued to be very strong across the school with Progress 8 reported at between +0.34 and + 0.45 for following cohorts. We are building on these very strong results with projects under way to develop whole-school reading and vocabulary acquisition, pupils' skills of metacognition, and to narrow the differential between boys' and girls' achievement, and between Disadvantaged pupils and their non-disadvantaged peers.

## Broad Education

The school's formal day runs from 8.35am to 3.00pm with 6 timetabled lessons of 50 minutes per day, run over a two-week cycle. Details of the curriculum taught in each subject can be found on our website under the *Parent, Carer and Student Information* tab. However, we believe that education should be broad and should give opportunities to develop individual interests. Many members of staff also offer activities within a very full and wide-ranging extra-curricular programme that runs each day from 3.00 p.m. There are many school trips and visits, both national and international, supported by a central Trips Administrator.

The College has engaged in a rolling programme to equip all pupil with iPads to enhance their learning, with all pupils in Years 7-11 having their own device from September 2021. Teaching staff and teaching assistants all have their own iPad; teachers also have laptop computers and all classrooms are equipped with Apple TV. Extensive training and support for development of staff IT skills has been a feature of school life since our opening, and has received a tremendous boost during the recent lockdowns!

## The Village College

The outlook and ethos of Cambourne Village College are fully in line with the tradition of Village Colleges established as the vision of Henry Morris in the first part of the twentieth century for community-based schooling. Cambourne Village College has, from the outset, sought to be at the heart of its community and to serve the needs of the whole town, not just our 11-16 year olds during the designated school day. In normal times, the College is open on almost every evening and weekend for adult education classes and extensive community use of our excellent facilities.

## Pastoral Organisation

Pastoral care in the College is overseen by the Deputy and Assistant Principals responsible for the supervision of the year teams. Each year team consists of a Head of Year, Assistant Head of Year, Pastoral Support Assistant, and team of tutors, this team remaining in place as the cohort moves up the school. Most teaching staff will have responsibility for a tutor group and most teachers carry out 4 supervisory duties around school over the two-week cycle. Pupils see their tutors for morning registration and have a weekly assembly. The school has a strong and ever-developing focus on inclusion and wellbeing, with a team of counsellors in place and a wide range of inclusion support available to pupils.

## The Premises

We are fortunate to work in a newly-built school, furnished, decorated and equipped to a high standard, with excellent facilities for teaching and learning. Sports facilities include 3G pitch, sports hall and gymnasium; performance facilities are excellent and Music is taught in a separate, dedicated wing. High speed broadband, good access to computers and sets of class iPads enhance learning. Since its outset, the College has employed a full-time, qualified librarian. The library is a vibrant learning space and is highly valued by pupils and staff.

## The Staff

Our staff are highly skilled, highly committed, innovative, mutually supportive and sociable. Joining Cambourne Village College represents a remarkable and exciting professional opportunity. It offers the chance to help to establish a new and rapidly growing school whilst working within a wider high quality Academy Trust which gives excellent possibilities for professional and career development.

Our staff are loyal and enthusiastic about the Academy. We seek to maintain a culture of praise and recognition, and in our staff survey for 22-23, 93% of all staff agreed or strongly agreed: 'I am proud to work at Cambourne Village College.'
